

January 2008

“We Can!” Event with Iron Chef Cat Cora *Sat 26 1–3pm. Children’s Museum of Manhattan. For venue information, see Museums & Sights. \$9, children under 1 free.* We Can! is a national education program that aims to help families improve their food choices, increase physical activity, and get away from the boob tube and the computer. Cat Cora of *Iron Chef* fame visits CMoM along with other celebs—names hadn’t been released as of press time—to lead a hands-on nutrition workshop and cooking class for families, and chow down afterward. In the past, little chefs have made low-fat turkey burritos and salsa. *Ages 4 and up.*
